NIB is the identity of a Business Actor in the context of carrying out business activities and is valid while carrying out business activities in accordance with the provisions of laws and regulations.

NIB is proof of Investment/Business Registration which also constitutes validation of the Company Registration Certificate and customs access rights.

OSS has the authority to evaluate and/or amend business permits (commercial/operational permits) in accordance with statutory provisions.

The NIB of a Limited Liability Company is frozen if within a maximum period of 1 (one) year it does not adjust its aims and objectives and business activities in accordance with the 2017 KBLI through SABH of the Directorate General of General Legal Administration. These adjustments are made through changes to the company's articles of association as referred to in the provisions of Article 21 paragraph (2) of Law Number 40 of 2007 concerning Limited Liability Companies, which must obtain approval from the Minister (Minister of Law and Human Rights).

All data listed in the NIB can change according to developments in business activities

Set date : December 11, 2018
