

COMPANY PROFILE

INTAN NUSANTARA

INDONESIA

Vision & Mission

Established in 2016 and headquartered in Makassar, South Sulawesi, INI focuses on exporting coal from Indonesia. We specialize in supplying Indonesian Steam Coal and other mining commodities tailored to our clients' needs. Our commitment to excellence includes overseeing the entire procurement process and offering innovative payment solutions. We believe in long-term dedication to every aspect of production and trading, as well as supporting the communities where we operate.

- Focusing on developing our coal trading business, we aim to strengthen partnerships with local miners to meet market demands effectively.
- Strategic alliances with regional and international partners will be pivotal in expanding our business capacity and competitiveness.
- Our vision includes gradually growing into a global business entity, anticipating and adapting to global competition.
- We are committed to corporate social responsibility, prioritizing environmental and societal contributions.
